The Senior Class
of
Powell Valley High School
Big Stone Gap, Virginia

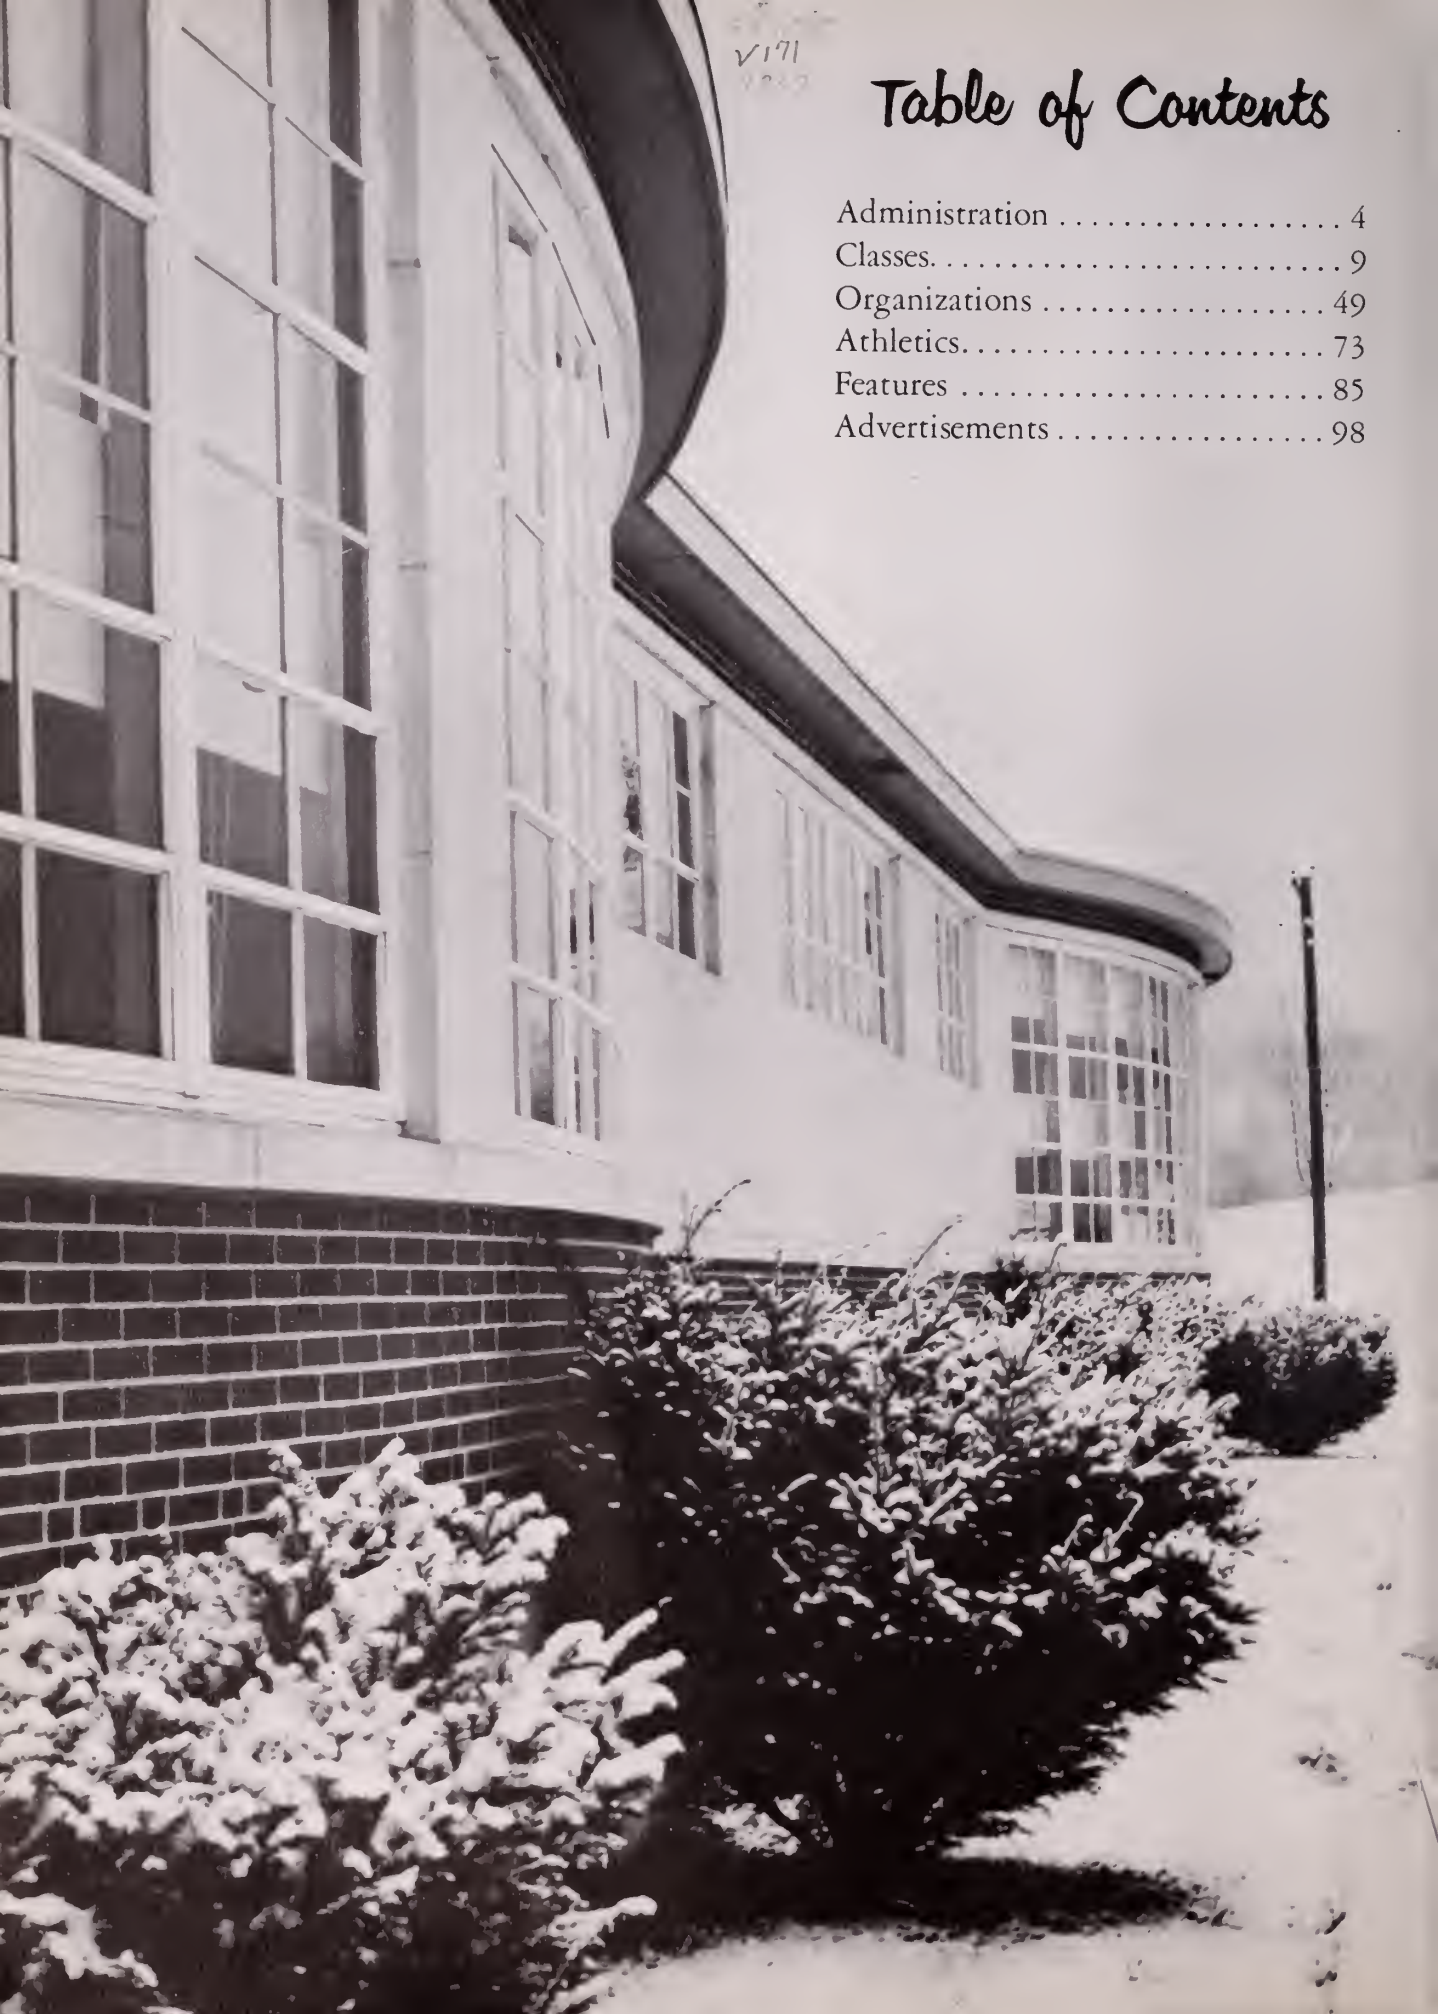

Presents
The Eighth Edition of the
VALHALLA

Foreword

The school year has once again passed, and in these pages we have recorded the events of 1966-67. For the Class of 1967 this marks the end of our high school experiences. We hope that we have captured some memories of this year in this, the Eighth Edition of the VALHALLA.

Alma Mater

To Vikings bold we give our love,
Our dreams, our tributes true.
Through life's full course
 our hearts will move
To bring you honor too.
So hail to thee, O noble school:
Stand firm and strong and right;
And may we ever look to thee
For strength, love, and purity.

Man is unique, original, a thoughtful creature. Part of his uniqueness is the result of his ability to remember his experiences and to draw insights from these experiences. Sometimes pleasant, sometimes unpleasant, these experiences mold the character. For twelve years we have experienced a series of regulated events called school. During this time we can remember feeling fright, insecurity, awe, anger, frustration, happiness, pleasure, ecstasy, and sadness. As "Pee-dabs" we felt awe, fright, and pride. We can remember when we visited Powell Valley High School for the first time: the building looked mountainous; the upperclassmen looked old and wise. How we envied them! But we soon discovered that to stay at Powell Valley High School was hard work. We remember football games, quizzes, snowy days, assemblies, new friends, new responsibilities, basketball games, teachers, examinations, invitations, record hops, classes, classes, and more classes. Each of us has his own memories, but as the Class of 1967 we shared some events that belong only to our class. Choice of courses made some of us close classmates. We struggled with shorthand, algebra, American government, and typing together. We spent hours talking on the telephone about the latest crisis only to discover the next day that we couldn't remember what we had been so upset about scarcely two days before.

From these crises we learned, some more slowly than others; but we did learn. As the world around us changed, we grew and changed. "Rock and roll" gave way to the Beatles who in turn relinquished the spotlight to the New Vaudeville Band. We learned to take tests, failures, and frustrations in our stride.

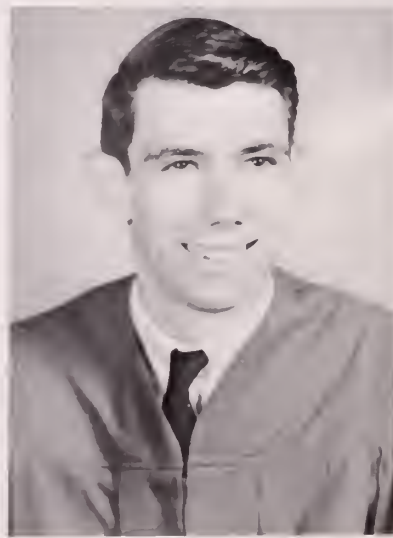

We probably remember most vividly our junior and senior years. We sold magazines and planned for months about that one big night — the Prom . . . "Shower of Stars." The year of years, however, was our senior year. To be perfectly honest, we felt some disappointment as we began this last step in the journey. We had always imagined that just being a SENIOR would make us feel differently, more superior, wiser, and better able to cope with all the multitude of problems. Alas, this wisdom didn't come. We felt just as insecure as we had felt as juniors. In fact, at times we found ourselves pondering whether the subfreshmen were using us as heroes as we had earlier idolized the seniors. We had all the trappings of seniorhood — rings, calling cards, invitations, job applications, college acceptances, college rejections, and draft calls. We could draw some comfort from the fact that we were not alone in our confusion and indecision. But we must trust that the future will be better because we were subjected to this series of regulated events called school in a community and building called Powell Valley High School.

Entering Powell Valley this year gave us a feeling of excitement and responsibility. We have just completed the "next-to-last" step of our high school career. We can now recall all the events that have made this year so exciting and important to us.

Our year was filled with club activities, classes, tests, and much pleasure. The money for our Junior-Senior Prom came from the magazine sales campaign. Ordering our rings couldn't have made us happier.

The Prom and graduation made us realize that we are only one step away from Seniorhood.

We, the 1966-67 sophomores, have taken another step forward in preparing ourselves for the future. We have completed half of the journey on the road to graduation. As sophomores we have learned to accept new responsibilities and to meet each new challenge with a type of enthusiasm, unknown to us in previous years.

We wish to express our greatest appreciation to our sponsors, Mrs. Botts, Mrs. Herron, Mrs. Jarrett, and Mr. Miller for their co-operation and guidance.

SPRING '66 BAND CONCERT

The '66-67 Viking Band began the year with football season. As the athletes assembled for practice, so did we. We had shows for all home games, most of the away games, and of course, the weekly parade to the ball park. We received a first place rating in Division B at the Chilhowie Apple Blossom Festival. Even though the Bristol Band Festival was a little damp, our band did well.

We performed in the annual Christmas parades in Big Stone Gap and Norton. The next event in our musical year was to send seven members of our band to the All-State Band West in Abingdon. Much time was spent in rehearsal for our performance at Regional, held this year at Wise.

We spent hours practicing for our annual Spring Concert. The year drew to a close with the band performing in the commencement programs.

Much appreciation and thanks go to our director, Mr. David Tipton, for making these events possible for us.

The Glee Club is one of the most exciting and rewarding clubs here at Powell Valley. Almost any morning blending voices of boys and girls can be heard coming from the far end of the hall. Being a member of the Glee Club is one of the most desired positions in our school. We performed our annual Christmas caroling at the elementary schools and Christmas Concert at Powell Valley with the help of the Band. Our Spring Concert is presented in March to the Powell Valley student body and the elementary schools. Along with those, we perform for the Kiwanis Club Luncheon and the Class Sermon. Under the capable direction of Mr. Gibbs, the 1966-67 Glee Club has enjoyed a most successful season.

THE LUCKY LIEFS

We, the eighth Library Club of Powell Valley High School, feel that we are doing our best to promote a greater understanding of the library and to encourage the students to make better use of the library. Our motto is: "We never guess; we look it up."

The club members are encouraged to maintain a high scholastic average. Our regular meetings are scheduled every first Wednesday of each month.

Special projects for the year include: an orientation for sub-freshman, a trip to the Wise County Public Library and to Clinch Valley College Library, a spring picnic, a new book display, a party for the faculty, and a Book Week assembly program.

The library shelves have been filled almost to capacity this past year with new books. Book marks were distributed, and attractive bulletin boards added to the overall appearance of the library.

The Library Club is pleased to say that our sponsor, Miss Billie Jean Scott, is listed in WHO'S WHO IN LIBRARY SERVICE and is serving as Treasurer of the Department of School Librarians in the Virginia Education Association.

The Key Club of Powell Valley High School, a part of the Key Club International, is a club sponsored by Kiwanis International. Its motives include developing initiative and leadership, promoting good will, preparing for useful citizenship, giving primacy to the human spiritual, rather than to the material values of life, and serving the school and community.

During this past year some of our projects and activities included collecting and delivering food, toys, and clothing for needy families during the Christmas holidays, giving record hops after football and basketball games, lining off the football field for home games, and working at the Singing Convention during the summer.

The Key Club, a club for "key boys" with "We Build" as our motto, has tried to be a helpful service to the school and community. Our sponsor, the local Kiwanis Club, has helped us very much. Special thanks go to our school principal, Mr. J. P. Horton, our school sponsor, Mr. Ruben Allman, and our Kiwanis advisor, Mr. Bill Akers, Sr. Through their guidance and supervision, they have helped us to make this a successful and enjoyable year.

During its third year the Student Co-operative Association has continued to grow, making greater strides toward fulfilling its aim of benefiting the school, student body, and faculty, and promoting good citizenship. These purposes were prominent in every step taken by the Council this year.

Among our projects this year were orientation of eighth graders, sending representatives to "Klassroom Kwiz", sponsoring the homecoming ceremonies, selling jerseys, sponsoring a Field Day, sponsoring intramural basketball games, sponsoring record hops after the ballgames, purchasing the school sign, sponsoring assembly programs, co-operating with the PTA, sponsoring a Student Exchange Day, and numerous other projects.

Several members of the Council went to Clintwood this year for the Natural Tunnel District of the State S.C.A., and we feel that the Council benefited greatly.

We are very proud of this year, and we hope this organization will continue to grow and make our school a better place to learn, our students more mature and informed, and the tasks of our faculty a little easier and more rewarding. We wish to extend our sincerest appreciation to Miss Frances Sams for the interest she has shown and for the help she has given us.

This year our forty-two member Roman Club has been very active. Our primary project was the annual banquet, held in Roman style near the Ides of March, in which the first year students were sold as slaves. Other activities we participated in were: the initiation program of first year students, a float in the Homecoming Parade, receiving of Junior Classical League pins, and our assembly program. One of our most interesting club meetings consisted of slides of Rome and Pompeii.

We feel our study of Latin has been very profitable to us. We sincerely thank our very capable sponsors and teachers, Miss Lora Dingus and Mrs. Grace Rose, for their help and guidance throughout the year.

The Bi-Phy-Chem Club consists of approximately forty members. Membership is open to those students taking biology, chemistry, or physics with a passing average in all subjects. The main goal of the Bi-Phy-Chem Club is to promote further interest in science.

The main project of this club is the annual Science Fair held in February. Any science student may make a project, but only those in the high-grades are eligible to take their projects to Wise.

We wish to thank the sponsors, Miss Darnell, Miss Dingus, Mr. Lewis, Mr. Meade, and Mr. Zander for their co-operation with us in making this club possible.

Vocational Office Training is a class for senior students that prepares them for a business career. It is full of various studies ranging from filing and transportation to various calculators, duplicators, adding machines, dictating-transcribing machines, and many other business machines used in today's business world.

VOT is also a part-time work program. The course offers two units for those who work and one unit for those students who do not. Students taking advantage of this course are permitted to work in a local business office if they so desire.

The jobs provide more than spending money; they give the students practice in securing and holding jobs, they learn the many aspects of full-time employment as well as to work well with others.

Under the very capable guidance of our sponsor, Miss Siphers, we prepare ourselves for a future in the ever-expanding world of business.

Learn, live, and serve through 4-H. In 4-H our motto is "To make the best better."

Our Creed is:

I believe in 4-H Club work for the opportunity it will give me to become a useful citizen.

I believe in the training of my HEAD for the power it will give me to think, to plan, to reason.

I believe in the training of my HEART for the nobleness it will give me to become kind, sympathetic, and skillful.

I believe in the training of my HANDS for the dignity it will give me to be useful, helpful, and skillful.

I believe in the training of my HEALTH for the strength it will give me to enjoy life, to resist disease, and to work efficiently.

I believe in my country, my state, my community, and in my responsibility for their development. In all these things I believe, and I am willing to dedicate my efforts to their fulfillment.

The Viking Story

Despite their 2-7-1 record, the 1966 Vikings at times played like the winning team they should have been. The squad was plagued by several injuries and by a disappointing 6-6 tie with Wise in their initial gridiron game. However, the Vikings possessed championship material and succeeded in proving this with excellent performances in several games including their final tilt with arch-rival, Appalachia. The 1966 team was led by Captain Tommy Laster and Co-captains Dexter Egan and Bill Strang. Unlimited praise must be given the teams trio of coaches, Garnett Gilliam, Cecil Maddux, and Don Campbell.

What's the score?

KENT GILLEY - Guard

ELBERT BUSH - Center

Under the capable direction of Coach Don Campbell, the 1966-67 Viking basketball team finished the season with a 10-12 record. However, being equipped with capable juniors, the team should prove better in future years. The Junior Varsity, posting the best record of any other Powell Valley Junior Varsity team with a 16-3 mark, offer promise of better years to come.

In the Wise County Tournament the Viking cagers defeated Coeburn in the first round, only to lose to Pound the next night. The following week in the Lonesome Pine District Tournament, the team was victorious over Appalachia, but lost again on the second night to Pound.

Three victories over arch-rival Appalachia and the defeat of Coeburn in the Wise County Tournament were among the highlights of the season. In the honors line, Randy Fleenor was named to the All-County Team.

The Varsity Club is composed of students who have earned a monogram in inter-scholastic sports, or who have served as team managers or cheerleaders. The reason for giving monograms is to promote better sportsmanship and understanding among all students. Membership in the Varsity Club is certainly a great honor for one to attain.
